

Price Matrix Customer/Item Report

The *Price Matrix Customer/Item Report* screen lets you generate a report showing the price matrices created for product discounts using any of the *Price Matrix Customer/Item* screen. You can set filtering parameters to define the report.

BatchMaster WEB will process your report parameters and display the results as a Crystal Report ready for printing or export, as required.

Go To: Sales → Sales Master Reports → Price Matrix Customer/Item Report

Click on the *Price Matrix Customer/Item Report* option to open the *Price Matrix Customer/Item Report* window. On the *Price Matrix Customer/Item Report* window, filtering parameters can be used to define the scope for processing the report.
